Yes, Jared has signaled this to the Administrator and she has indicated she wants to have the internal conversation. Jared knows how sensitive this is and has been talking with the Governor's office. Kathleen, copied above, is our Enforcement Division director and the lead for our NEPA comments, which are due at month's end.

Hey, R9 and Ken.

Gov. Brown is looking to have a call with the Administrator. Topic is their Water Fix plan. As the comment period is closing, the Governor wants the Administrator to understand the state's policy rationale.

Stay tuned...but if folks can start readying relevant points for the call. Liel and I will let you know when it gets scheduled for.

Thanks,  
Mark
